Product Environmental Declaration

Product: IOMB-04

Product weights (gram)
Total: 859_____Electronics: _171_____Cover: 688_____

Major component materials in the product:

Cover: PC
Printed circuit board: FR4
Electronic components: RoHS compliant
Terminals: Polyamide and copper alloy
Fasteners (screws, washers etc.): n/a

Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.
There is no documented information on energy consumption for the manufacturing process.

Environmental impact during operation:

There are no known environmental effects of the product in use.
