

## Product Environmental Declaration

Product: CTS-OW-PT1000

Product weights (gram)

Total: 41                  Electronics: 4                  Cover: 38                  Cabling: 0                  Metal: 0

### Major component materials in the product:

Cover: PC/ABS  
Printed circuit board: FR4  
Electronic components: RoHS compliant  
Cabling: n/a  
Terminals: Polyamide and nickel plated copper alloy  
Fasteners (screws, washers etc.): Steel, FZB-coating  
Other metal parts: n/a

### Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.  
There is no documented information on energy consumption for the manufacturing process.

### Environmental impact during operation:

There are no known environmental effects of the product in use.

### Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheelie Bin" logo to indicate this requirement.

### Other issues:
